

# DRAMA

One of the aims of Applewood is to develop confident children with good verbal and communication skills. In line with this drama forms a regular part of our school year. Each phase use to put on a drama production yearly with every child in the school playing a part. Past productions have included: Romeo and Juliet, The Snow Queen and Shrek. Class teachers and non-staff members with skills to offer were used in the staging of productions that have become much anticipated features on the school calendar.

**Helen O'Grady Drama Academy has taken over the roll as from 2011. Please view their brief under the section headed 'Drama'.**
