

## Enviro-Club

Once a week the learners are involved in our Enviro-Club, which is an environmentally based club. We are fortunate enough to be situated in the Kogelberg Biosphere, in which we take much pride in. It is our duty to look after our area as well as the rest of the world, and so this love for the environment is encouraged and nurtured from an early age at Applewood. We are involved in various outdoor projects and activities including building an outdoor classroom, recycling, growing plants, area clean-ups and bird watching.
