

PARENT'S ASSOCIATION (P.A.)

Applewood has an enthusiastic and committed parent body. The P.A. is a group of (usually moms) who volunteer as class reps for a period of a year. A chairperson is elected annually to give leadership to this body.

The P.A. are a fantastic support group for sports and functions catering (their Saturday morning egg and bacon rolls are legendary), fundraising and general all round helpfulness. The P.A. identifies projects annually which they then set about fundraising for. These can range from; renovating the school kitchen, to buying a *new piano, or playground equipment. One major fundraiser is usually organized each year with smaller events in between.*

A nicer bunch of people is difficult to find.
