

OUR MISSION STATEMENT

QUALITY HOLISTIC EDUCATION WITH FAMILY- BASED VALUES

Founded on family values and innovative teaching methods, Applewood Preparatory School is committed to delivering quality holistic education.

A vibrant, child-orientated curriculum – benchmarked against international best practice – is combined with an inclusive approach, whereby all pupils are encouraged and enabled to participate in the full range of activities offered by the school.

The emphasis is on the development of thinking skills, communication skills and discovery learning, with pupils actively involved in the learning experience. Environmental and outdoor education programmes enjoy extensive attention. A strong sense of community and social responsibility is instilled in the pupils.

English is the medium of instruction and whilst Applewood has a Christian ethos, we strive to accommodate the needs of pupils from all religious and cultural backgrounds.

Parents are encouraged to be active participants in the life of the school.
